

COMPLIANCE HOTLINE

The Vice President – Quality, Compliance & Incident Management oversees The Kelberman Center’s Compliance Hotline, a confidential secure voice mail system that is committed to timely identification and resolution of all issues that may adversely affect individuals supported, staff, and/or The Kelberman Center. Anyone can call and make a report anonymously. Telephone calls to the Compliance Hotline might include: a known episode of misconduct, an ethical issue or violation of agency procedures and/or questions regarding documentation or the implementation of an agency policy.
